We visited Birjhora Mahavidyalaya on 29/12/21 on account of Faculty and Students exchange program between Birjhora Mahavidyalaya and Abhayapuri College. It was quite a unique experience. ~~Over~~ The fifth semester students of Abhayapuri College got to do few experiments of their PH5026 course. The faculty members and the students of Birjhora Mahavidyalaya were extremely helpful. ~~and~~ They made sure that the experiments were done without any chaos. I personally gave a talk on introduction to dark matter. Overall the visit was quite good. We would love to visit again to this nice college and also looking forward to host faculty members and students of Birjhora Mahavidyalaya at Abhayapuri College.
